Your Priorities - What you told us

After completing a KIN survey Anti Social Behaviour came out as our number one priority.

Your Priorities - What we did

Windermere Town:

PC Hunter and PCSO Blacow have run many diversionary tactics in our area to encourage positive behavior in young people and reduce incidents of anti-social behavior. These include a football club run with Young Cumbria and a youth Disco held at term ends. Diversionary days out include Army camps to give local youths chance to try something new and positive and to encourage beneficial interaction with the local neighbourhood policing team.

PCSO Blacow will again be out with SLDC this coming month to encourage dog owners to be responsible for their dogs and prevent dog fouling.

During the half term week PC Hunter, PCSO Blacow and PCSO Livett are working with partnerships' to run a five a side football tournament at the Lake School. They are holding a Halloween Disco at the wheel house Bowness.

We are holding the first Neighborhood Watch meeting for St Mary's Park on 26th October

Crime In Your Area - Follow Up

CRIMEMAPPING:

Crimemapping is a system of looking at the previous 3 months level of various crimes in comparison to the same period the year before:

Overall the crime figures have seen a decrease in the area.

Continuing engagement with local youths in the area to encourage their involvement with the community and in doing so we are building our contact with partnerships. Regular visits to the schools including a program of cycle training with the local primary schools.
