

# Manuka health store - 2 Longlands, Lake Road, Bowness.

Manuka's policy is to stock as much Fair Trade, across the food range, as we have sales for. Many of these products are Organic which is essential for the health & well being of the planet; you & me & the whole environment.

We stock the Ecover range & offer a refill facility on 3 of the liquids. The hair care, bodycare selection is free of toxic additives as are the baby-care products.

Available in store is the Natracare feminine hygiene range as well as Organic cotton wool & cotton buds.

We aim to minimise packaging, most of items are wrapped/packaged in recyclable material; one of our suppliers even offers 25p refund on return of an "empty" for another purchase.

And lastly - our main wholesaler takes back our cardboard for re-use and or to be re-cycled.
