### Bowness & Windermere Forward

As the Secretary was away for the meeting of the Project Management Group on the 16<sup>th</sup> October (2pm), Barry Butler said he would try and attend on the Chamber's behalf.

### AOB

- The Secretary brought up the matter of low attendances at the monthly meetings and raised the question of whether these meetings should continue after this season. The meeting discussed this matter and suggestions were made that perhaps there should be a meeting centred around a meal at one of the local restaurants. The Secretary was asked to look into this possibility.
- The question of membership was raised and it was suggested that the December meeting should be thrown open to all business in the area. Also a letter to be drawn up outlining the role the Chamber plays within the business community and the community at large and inviting businesses to apply for membership.

There being no further business the meeting was closed at 8:38pm. There then followed an informal networking session.
