

**Report by the
Membership Secretary
(Bonny McNab)**

This is my first report as Membership Secretary, and I am very pleased to announce that through January until April we had a lot of interest from businesses in joining the Windermere & Bowness Chamber of Trade.

I have, on behalf of the Chamber enrolled the following businesses:

Hayley Dent from Progression Solicitors in Windermere

Olivia and Ryan from Boaters Bar in Bowness

Nick Ward from Urban Food house Bowness

Steve Simon - Bowness Business Rates

I know that these new members can only add to the knowledge and integrity of the Chamber of Trade and hope that they can contribute their knowledge and time to our organisation.
