Main Car Parks

South Lakeland Council has 41 'Pay and Display' car parks throughout the area, with some 5,300 spaces. The Westmorland Shopping Centre car park now operates a Pay-on-Foot system.

The car parks comprise of long stay, short stay and multi-tariff facilities depending on the particular location. Civil Enforcement Officers patrol these car parks on a regular basis so please ensure that your ticket is properly displayed and the correct tariff has been paid for the duration of stay.

If you are not certain of the length of your stay it is always advisable to allow a reasonable margin of safety as visits invariably last longer than first anticipated. We want you to enjoy your stay with us and hope that you will return soon, so please don't risk a getting a ticket! Please ensure that you have an assortment of change for the machine.

Please note that our machines do not accept 5p pieces or £2 coins. There is a machine at Glebe Rd Car Park, Bowness-on-Windermere which accept credit cards (not debit cards).
