Dear Partner

**Should we seek World Heritage Site Inscription for the Lake District?**

At our Wray Castle meeting in October partners agreed that they needed:

1. a summary leaflet on Lake District World Heritage Status
2. and a Lakes World Heritage Question and Answer sheet

these are attached as papers 1 & 2.

These papers have been produced in a (relatively) small sized '.pdf' format to enable and speed up distribution by the internet or via printing yourselves and posting out<sup>1</sup>.

I hope this information will enable you to consider this important issue further, and where necessary consult wider within your own sector, so that you can come to a firm conclusion as to the value(s) of seeking World Heritage Status for the Lake District.

Finally can I remind you, once more, that we will need to take a firm decision at our **27 January** meeting, therefore, it would be helpful if you come mandated to vote at the meeting should it be necessary to do so.

**Please note we have now confirmed the venue for the meeting as being the Prince of Wales Hotel Grasmere commencing at 2pm.**

Yours sincerely

LORD CLARK OF WINDERMERE

*BY EMAIL ONLY*
