Dear Adrian Faulkner

Economic Impact report of the London 2012 Olympic Games on Windermere and Bowness

Thank you for your letter dated 17 October and the attached report on the economic impact of the 2012 Olympic Games on the Windermere and Bowness locality.

The survey is a great initiative and I feel sure that the contents of the report will prove very useful for future economic development research.

I have passed on the report to Cllr Ian Stewart, our Economy and Enterprise Portfolio Holder, and we will take careful note of its conclusions.

Yours sincerely
